

## Roamer

The Roamer is a competitively priced boat with a classic line in appearance and quality. It has an outstanding ability and is proving extremely popular in both Britain and Europe, as a sturdy and reliable Day Launch. The Roamer has a high quality fibre glass hull and is finished to give the appearance of luxury. The cabin and decking can be made in either wood or fibre glass.

Our standard Roamer comes complete with a 2 cylinder Vetus 11HP diesel engine, tiller steering, all weather cover and cushions in a material and colour of your choice. If you would prefer the cabin and decks to be made of wood, we use only prime quality mahogany with is finished with 7 coats of varnish.
